2. The Union Entities have claims against certain of the Debtors. These claims arise from obligations of the Debtors under collective bargaining agreements, relating primarily to amounts owing for residual payments. The claims asserted by Union Entities arose both before and during the one year period prior to the filing of the above-referenced case. The Union Entities estimate that these claims total, in the aggregate, likely less than \$1 million as of the filing date, and additional claims will accrue through the Debtors' continuing exploitation of their motion picture library after the filing date.

3. Bush Gottlieb is the long-standing outside counsel to the Union Entities in connection with insolvency and collection matters.

4. Upon information and belief, Bush Gottlieb has no claims or interests against any of the Debtors.
